Board of Management Meeting - Agreed Report

22nd of July, 2025

As members of the Board of Management (BOM), our main function is to manage the school on behalf of the patron, for the benefit of the students and to provide an appropriate education for each student at the school. After each of our Board of Management (BOM) Meetings, we share an Agreed Report that highlights the content of the meeting so that you are better informed about our work.

 - Having a BOM Planning Session to lay out short and long term goals.
